## Gifts in Children's Departments.

THE Holiday Season is pre-eminently the children's season. We have everything serviceable and useful for their wants all the year around, but at this particular time many departments are more carefully and abundantly supplied than usual.

Attractive values will be offered to-day in Boys', Girls' and Babies' Outfittings, Toys, Dolls, Games and various other things for the young folks' instruction and amusement.

Purchases made now will be carefully stored in our "Holiday Hold-Over" Department and delivered when it suits you best up to and including Christmas eve.

### Sample Shirt Waists

At 1/3 to Almost 1/2

Less Than Regular Prices.

WE have just secured, and offer, at a third to nearly a half less than regular prices, a drummer's sample line of Fine Shirt Waists—the products of a prominent New York manufacturer. Included in the lot are tailored and lingerie effects, fashioned of madras, plain and hand-embroidered linen, voile, hand-embroidered marquisette, fancy striped silk, &c. Some made with the regulation short sleeve, others in the new kimono effect. Some have high neck, others the popular Dutch neck.

An attractive collection of High-grade Waists, all fresh and perfect; and, being samples, they are, of course, unusually well made and finished, but also being samples means a drawback—one size only—and that size is 36. They are priced as follows:

**\$2.50 and \$2.75 Waists, \$1.50.**

**\$5.00 and \$6.00 Waists, \$3.75.**  
**\$7.50 and \$8.75 Waists, \$4.75.**

## The Toy Store.

TOYS are not for the children only—for does it not cheer the adult heart and, for the time being, chase dull care away to see the little ones so happy, so intensely interested, so thoroughly oblivious to everything but the one Toy that strikes the juvenile fancy for the moment? If you've never taken a child to a Toy Exhibit, you have a great treat in store. If you have—perhaps you are wise and do it every year—we say come to-day—it's the greatest radiator of joy in town.
